

Application No.10/169,219
Amendment, dated February 13, 2006
Reply to Office Action of August 11, 2005

REMARKS

By the foregoing amendments and remarks, Applicant believes that he has presented claims which are patentable over the prior art and requests that this application be examined again under the provisions of the Manual of Patent Examining proceedings concerning a request for continued examination. Early favorable action in the form of a Notice of Allowance is urged. In the event that the Examiner has any further concerns, Applicant requests a call to Applicant's attorney David L. Garrison at (206) 441-3440.

Respectfully submitted,
